

**EXECUTIVE OFFICE OF THE PRESIDENT
OFFICE OF MANAGEMENT AND BUDGET
WASHINGTON, D.C. 20503**

November 12, 2015

Statement from OMB Director Shaun Donovan:

**Budgetary Impact Analysis for Executive Order Entitled
“Termination of Emergency With Respect to the Actions and Policies
of Former Liberian President Charles Taylor”**

This executive order would terminate the emergency with respect to the actions and policies of former Liberian President Charles Taylor. Implementing this executive order would have a de minimis impact on costs and revenues to the Federal Government. The benefits of the executive order include furthering the United States’ overall sanctions policy by avoiding the unnecessary use of national emergency authorities. Implementing this executive order would have a de minimis impact on mandatory and discretionary obligations and outlays, as well as on revenues to the Federal Government, in the 5-fiscal year period beginning in fiscal year 2015. Agencies anticipated to be impacted by this Executive Order include the Departments of State and the Treasury.
